

Graduate Student Housing and Transportation Committee

This Committee is charged with conducting a thorough assessment of the current housing and transportation landscape near the University of Chicago campus as it affects graduate students, identifying key issues, and making recommendations. In order to be responsive to the report of the Committee on Graduate Education, this Committee will consider the differing needs of students across the University, paying attention to specific populations such as international students and student parents.

Committee Members

Faculty

- **Adrian Johns**, Social Sciences Division

Graduate Students

- **Natalie Farrell**, Division of the Humanities
